A NOTE FROM PAPA:

"Assuming that my legs do not get better in the next 24 hours, I just want to wish all of my children (young and somewhat older) a great time at Disneyland. If there is something I enjoy more than Disneyland, it is being with my wonderful family. I wish my legs would allow me to join you all, but knowing that you will have a fabulous time will make me feel better. I look forward to hearing all about the park and hearing many stories about your adventures."

Love, Papa/Pops
